Re: Financial Assistance

Dear Sirs,

I am presently an employee of the Guardsman Group Ltd, in the capacity of a Technician at Orkin Jamaica, where I have been employed since April 23, 2019.

On August 6th, 2022, my family home, located on Roses Street in St. Elizabeth was unfortunately totally gutted by an accidental fire. As a result, all our personal item including furniture, appliances, clothing and miscellaneous items were destroyed. In the aftermath, members of my family, including my son have also been displaced.

Despite this devastating unforeseen occurrence, along with the help of family and friends, we are slowly recuperating and in the process of rebuilding the structure.

I am using this forum to request any form of financial aid that may be extended to me from the Guardsman Group Ltd, in this very difficult and challenging situation. Any financial assistance or otherwise would be greatly appreciated. I do hope that my request will be given review and consideration. I have attached the official report from the Jamaica Fire Brigade (Santa Cruz/ Black River) as verification of the occurrence.

I anticipate your favorable response. My employee ID is O-084 and my telephone number is 876.843.5303. I report to Branch Manager, Kadeen Turnbull at the Orkin Jamaica – Kingston location.

Sincerely,

Kerry-Ann Thompson- Martin (Mrs)
